Email 1: Cold Email

The cold email earns a reply with one idea, one proof point and one small request.

Field	Detail
To	Head of HR and People Operations, Lucky One / Lucky Core Industries
Subject	A simple plan to end the 2 PM energy crash for Lucky employees
Send date	15 Oct 2026

Dear Head of HR and People Operations,

My name is Hareem Fatima. I am a nutritionist with a BS in Human Nutrition and Dietetics (CGPA 3.89, Gold Medalist), and I have led workforce energy and productivity workshops as a Corporate Wellness Trainer at Xynotech.

Most teams feel a drop in focus around 2 PM. It is often linked to lunch choices, hydration and caffeine timing, and it can be improved with practical habits.

I help HR teams act on this through monthly onsite masterclasses and remote nutrition tracking. Leadership receives anonymised monthly data, so the results are visible.

Would you be open to a 20 minute call next week? I can send a one page outline for your employees before we speak.

Thank you for your time.

Kind regards,

Hareem Fatima Nutrition and Corporate Wellness Consultant LinkedIn: @dt.hareem

Email 2: Bidding Email

Field	Detail
To	HR and People Operations Leadership

Send date	2 Nov 2026, after the discovery call of 29 Oct 2026

Dear Head of HR and People Operations,

Thank you for the time you gave me on 29 October. It was helpful to hear your priorities, and I would like to confirm what I understood.

You need a program for employees only, with learning in the room and support between sessions. It must fit shift patterns, protect privacy, and give leadership numbers it can report.

Our bid is a 6 month hybrid program with six onsite masterclasses, remote nutrition tracking and coaching, monthly anonymised dashboards, and a final impact report. The fee is PKR 380,000 in total, with each masterclass at PKR 25,000. The indicative schedule runs from December 2026 to May 2027.

I will send the full proposal on 4 November. If anything above does not match your needs, please tell me and I will adjust the bid before then.

Kind regards,

Hareem Fatima Nutrition and Corporate Wellness Consultant

Email 3: Proposal Delivery Email

This email delivers the proposal, points to the three things leadership will look for, and sets a walkthrough date.

The proposal is valid until 13 November 2026. I would like to walk you through it on Thursday, 5 November at 11:00 AM, in person or online, whichever suits your team.

Please let me know if that time works, or suggest another.

Field	Detail
To	HR and People Operations Leadership, with the Finance contact in copy
Subject	Costing details you requested: Lucky Vitality and Energy Program

Field	Detail
Send date	9 Nov 2026, after the proposal walkthrough of 5 Nov 2026

Dear Head of HR and People Operations,

Thank you for the useful questions on 5 November. Here are the answers on cost, so Finance has everything in one place.

Component	Amount (PKR)
6 onsite masterclasses at PKR 25,000	150,000
Baseline assessment and endline comparison	45,000
Remote nutrition tracking and coaching, 6 months	120,000
Leadership dashboards, 4 at PKR 10,000	40,000
Final impact report and presentation	25,000
Total	380,000

On your questions:

1. The fee is fixed at PKR 380,000 and excludes applicable taxes.
2. Payment is in four equal milestones of PKR 95,000: on agreement, end of Month 2, end of Month 4, and on the final report.
3. An extra masterclass session for another shift or site is PKR 25,000 and is only added with your written approval.
4. Individual employee consultations, if you wish to add them, are PKR 3,000 per session.

If these terms are acceptable, a written confirmation by 13 November will let us hold a December start.

Kind regards,

Hareem Fatima Nutrition and Corporate Wellness Consultant

I hope you are well. I am following up on the proposal and costing details I sent earlier this week.

If you need more time or changes, please tell me and I will adjust. I am happy to join a quick call with your team if that helps.

Kind regards,

Hareem Fatima

Quality Review and Improvements

Every draft was checked against seven business writing standards, and each email was revised to avoid the common risk listed against that standard.

Standard	Common risk	How these emails handle it
Clear subject line	Generic subjects such as Introduction	Each subject states the topic or outcome, with a date where relevant
One clear ask	Asking for a call and a meeting together	The cold email asks only for a 20 minute call
Length	Cold emails that run too long	The cold email is about 140 words with one proof point
Client first	Opening with our own services	The bidding email repeats the client's needs before stating the bid
Consistent numbers	Fee wording that varies between emails	PKR 380,000, PKR 25,000 per masterclass and four payments of PKR 95,000 match in every email
Tone	Phrases that are too casual or too salesy	Polite, direct and respectful, with recipients addressed by role
Next step and date	Follow ups with no deadline	Every email names a date or a specific next action

Checklist used before sending any email: correct recipient by role, attachments named, fee figures matched to the proposal, one ask, a date, signature, and a read through for spelling.
